

READY FOR TAKE-OFF

AXIS Aviation is an **executive aircraft operation and asset management provider**.

With our innovative, proprietary data platform, we make aircraft management transparent for owners and operators. Start with us into your exciting future with great benefits.

First Officer Global 8000_{m / f / d} to start September / October 2026

We are a premier business aviation company dedicated to delivering first-class flight services. We are looking for an experienced and highly professional **First Officer** on **Global 8000** to join our team based in **Saudi Arabia - Middle East**.

If you combine technical excellence with true passion for business aviation and uncompromising safety standards, we look forward to welcoming you on board.

Your Key Responsibilities

- Conduct safe, efficient, and compliant international flight operations on the Global 8000
- Ensure full adherence to all applicable national and international aviation regulations
- Perform thorough flight planning, pre-flight and post-flight inspections, and precise documentation
- Deliver an outstanding passenger experience through professional and discreet customer service
- Cooperate closely with fellow crew members, ground staff, and ATC to ensure seamless operations
- Monitor and support aircraft care and maintenance in coordination with the technical department

Your Profile

- Valid ICAO CPL (frozen ATPL) with current Global 7500 Type Rating
Difference course to Global 8000 preferred, otherwise provided by the company
- Profound experience in international business aviation operations
- In-depth knowledge of international aviation regulations and operational best practices
- Strong interpersonal skills combined with a calm and solution-oriented mindset
- Highest standards of professionalism, reliability, and safety awareness
- Willingness to operate on international routes with a 4 weeks ON duty / 4 weeks OFF duty roster
- Employment directly by aircraft owner
- Fluent in English (any additional language is an asset)

We offer

- A company driven by passion, professionalism, and team spirit
- An interesting and demanding role in an international and dynamic environment
- Modern aircraft equipped with cutting-edge technology
- Attractive salary package and competitive benefits
- Positioning to / from home base to aircraft base provided by the company
- Continuous training and long-term development opportunities
- A supportive and motivated team culture

Interested?

If you are ready to take responsibility at the highest level of business aviation and contribute your expertise to a dynamic and growing operator, we look forward to receiving your complete application (CV and qualifications).
